## EDUCATION

**Occidental College**                                                                                         Los Angeles, CA
*Bachelor of Arts in Computer Science,* G.P.A: 4.0                                        Expected May 2025
Awards: Dean's List (2021, 2022), Presidential Scholarship, COSMO/ National Science Foundation Scholar (2022)
Relevant Coursework: Mathematical Foundations of Computer Science, Data Structures, Computer Organization, Advanced Programming, Fundamentals of Computer Science, Computing in Real Life (IRL)

## TECHNICAL SKILLS

**Programming Languages:** Excellent – Java ; Proficient -  Python, HTML, CSS, R,  JavaScript ;  Familiar – C,  MIPS
**Software Tools:** Git, Android Studio, VS Code, XCode, Aha!, Figma, AzureDevops, GitHub, RStudio, Slack

## INTERNSHIP EXPERIENCE

**Trimble Viewpoint**                                                                                          Portland, Oregon
*Product Management Intern*                                                                       May 2022 – Aug 2022
- Assisted the Senior Product Manager in the systems development life cycle (SDLC) of Viewpoint Construction Software which has captured 100,000+ users since launch
- Implemented dynamic tests alongside QA engineers, ran risk assessments, and identified and fixed bugs before product launch.
- Create a survey logic flow that aided PM's, software developers and UI/UX specialists in the development of new features and user stories to optimize workflow and enhance customer experience
- Launched virtual Q&A workshops to discuss issues and challenges customers may face when using the products

**Occidental College**                                                                                 Los Ángeles, California
*Computer Science Project Intern*                                                                    Aug 2021 - Dec 2021
- Compiled and distributed questionnaires to Occidental College first-generation employees and teaching staff about their college experiences, from these interviews I developed 12 unique profiles of the experiences and submitted them to the Director of the First-Generation Coalition for upload to the college's directory
- Supervised and collaborated with junior co-interns when needed that aided the completion of the internship program

## TECHNICAL PROJECTS

**American Sign Language (ASL) Flashcard App** (Java, Dart, HTML, SQLite)
- Created a Flutter app developed in Android Studio and other dependencies. Utilized various programming languages such as Dart and Java, and integrated XCode for iOS platform compatibility

**European History Web Application** (HTML, CSS, JavaScript, Node.js)
- Developed a responsive and interactive web application focused on European history, utilizing cutting-edge technologies such as HTML, CSS, JavaScript, and Node.js; designed the user interface to enhance user experience across multiple devices

## PROFESSIONAL DEVELOPMENT & LEADERSHIP

**Management Leadership for Tomorrow (MLT)**                                        Washington, DC
*Career Preparation Fellow - SWE Track*                                                      Jan 2023 – Present
- Accepted into a selective 18-month professional development program for high-achieving diverse talent
- Attend conferences hosted by industry leaders, such as Deloitte, LinkedIn, and Target

**Capital One**                                                                                                          Remote
*Software Engineering Summiteer*                                                                   Aug 2022 – Aug 2022
- Chosen after several rounds of technical assessments as one of the 61 students to attend a weeklong summit led by Capital One
- Engaged in intensive SWE workshops led by Capital One Engineers about Mobile App Development (Android & iOS), Augmented Reality, APIs, Hardware, AWS, iOS, Android, Bots, and Web Development in React
- Participated in a 24-hour hackathon where I acted as the project lead directing 5 other hackathon team
- Created a new website application using HTML, CSS, JavaScript, and API integration with the mission statement to teach financial literacy to young children through a currency game; pitched this technical solution to high-level Capital One executives

**Captain -** Occidental College Women's Basketball Team                        Sep 2022 – Present
- Led and motivated team as captain, demonstrating strong leadership, communication, strategic thinking, and accountability skills.

**Co-Head of Community Engagement**– Oxy Open Source (Computer Science Club)       May 2022 – Present
